NORMANDY CC

WELCOME TO THE CLUB

Located in a beautifully secluded rural location in the Surrey Hills, cricket has been played in the village of Normandy since 1896. An intimate and friendly club, Normandy maintains strong links with the local community through its active senior and junior cricket memberships. The cricket season runs from Easter until early September, with approximately 125 fixtures being played on our two grounds, across both senior and colts teams. In addition to this, colts training sessions run on Friday evenings throughout the season and senior teams also train twice weekly. Attracting a wide and diverse group of parents to the club every week.
