NORMANDY CRICKET CLUB RECORDS

The records have been collated from all available records from 1946 to date. These records are as comprehensive as possible, and any omissions relate to averages currently missing from the Club archives. Every effort has been made to ensure these records are accurate and while we apologise for any errors or omissions, we hope our members will accept these as the definitive records of Normandy Cricket Club.

The club welcomes additional information to enhance these records and if you are able to provide any additional substantiated information for inclusion in future updates to these records the Club would be grateful.
